CHRISTIAN SCHOOL

2295 Union Grove Road
Lexington, North Carolina 27295

Dear Parents,

Thank you for your interest in enrolling your child/children at Union Grove Christian School. This is a very important decision for both you and us. Our desire is to help you as parents raise your children in the “nurture and admonition of the Lord” (Eph 6:4).

Before you fill out the attached application, please read all of the enclosed material. It tells what Union Grove Christian School is about, and why we are here. It is important that you be in agreement with us.

New students must submit a completed application, the registration fee (refundable if denied acceptance by UGCS), health records, a copy of the last report card or High School Transcript, the recommendation form (filled out by your pastor), and a signed statement of cooperation. We also require an interview with both parents, along with the prospective student.

Union Grove Christian School exists to glorify God by assisting parents in giving each child a total education according to the revealed will of God in the scripture. We want to partner with parents in reinforcing the Christian values of Christian parents in a traditional environment devoted to academic excellence. We do reserve the right to refuse admission to anyone that we feel would not be in harmony with our stated intent. Our desire here at Union Grove Christian School is for this to be a good experience for both of us.

If you have any questions, we will be happy to answer them. Thank You.

Serving Christ Through Education,

Kacee Cromer

The Philosophy and Purpose of Union Grove Christian School

Union Grove Christian School is a ministry of Union Grove Baptist Church; therefore, we believe and teach the principles and precepts of God's Word (the Bible) exactly the same as Union Grove Baptist Church.

1. The Philosophy of Union Grove Christian School

Our number one responsibility, as molders and shapers of the next generation, is to inspire our students to conform to the image of Jesus Christ (Romans 8:29), whom to know is life eternal. The purpose of Christian School education is to present to our children, as clearly as possible, the truth about God, about life and living, about our world and everything in it, and to present the Word of God as the authoritative source upon which to build a life that has purpose and meaning. In short, the philosophy of Christian education calls for an educational process that puts the Bible at the center and asks the student and the teacher to evaluate all they see in the world through the eyes of God because God is Truth. Because God is Truth, all must conform to Him (John 14:6). In true Christian education, students learn to use the Bible to evaluate all of life. The Bible is life – it is the living Word – it is above every other book.

2. The Purpose of Union Grove Christian School

Union Grove Christian School exists to glorify God by assisting parents in giving each child total education according to the revealed will of God in the scripture; thus making disciples by reinforcing the Christian values of Christian parents in a traditional environment devoted to academic excellence.

3. Our Goal

Our main goal is to develop students of character and conduct who will live for the glory of God and the good of society.

4. Our Beliefs

Doctrinal Statement - We believe in and unqualifiedly affirm:

- a. the Scripture of the Old and New Testaments are verbally inspired of God.
- b. in one God, externally existing in three persons, Father, Son, and Holy Spirit.
- c. that Jesus Christ was begotten by the Holy Spirit and born of the Virgin Mary.
- d. that all men are born sinners and are worthy of death.
- e. that the Lord Jesus Christ died for sins according to the Scriptures and that all who believe in Him are justified eternally because of His shed blood.
- f. in the resurrection of the crucified body of our Lord and His ascension into Heaven where He makes intercession for all that have trusted Him as Savior.
- g. in the personal, premillennial and imminent return of our Lord and Savior Jesus Christ.
- h. that all who receive by faith the Lord Jesus Christ are born again of the Holy Spirit and thereby become children of God.
- i. in the bodily resurrection of the just and unjust, the everlasting blessedness of the saved and the everlasting conscious punishment of the lost.
- j. that the local church is the body of the baptized (immersed) believers organized for worship, work, and fellowship; that the two ordinances of the church are baptism (immersion) and the Lord's Supper; and that the local church is an independent and self-governing body responsible alone to Christ who is its Savior and Lord.

Personal Salvation

We believe that all of mankind is lost, in sin, and totally without hope of heaven (Romans 3), unless they personally receive the Lord Jesus Christ as their Savior (John 1:12). This salvation is a free gift of God, and there is nothing man can do to gain this salvation by his own merit or works (Ephesians 2:8,9). This salvation is eternally assured, and nothing, including sin by the believer, will cause us to lose it (John 10:28,29).

Ministry of the Holy Spirit

The Holy Spirit of God indwells every believer at the moment of salvation (I Corinthians 12:13). He is our Comforter, Teacher, and enables us to live the Christian life.

Personal Separation

The Bible says believers are to live a life that is separated from the sinful practices of this world's system (II Corinthians 6:17). We are not to be involved with nor love the things of the world (I John 2:15). This does affect our speech, actions, thoughts, and deeds as well as what we watch, what we listen to, and where we go.

5. Expectation of Students

- a. We expect students to represent the Lord's name and the school in a manner that would bring honor to God at all times (24/7).
- b. We expect students to increase their desire to live the Christian life as outlined in God's Word.
- c. We expect students to consistently meet their academic requirements as outlined by each individual teacher.
- d. We expect students to comply with school rules and regulations with a cooperative spirit.
- e. We expect high school students to carry their share of responsibilities in class functions.

6. Parent's Obligations

- a. We expect parents to see that their child meets dress code.
- b. We expect parents to see that their child has his homework done.
- c. We expect parents to support us by helping in the spiritual development of their child.
- d. When there is a problem, we expect parents to talk with us. (Matthew 18:15).

Communicable Disease Policy Statement

While it is not the desire of Union Grove Christian School to discriminate against any students, we are faced with the challenge of providing a safe haven for those students entrusted to our care by their loving parents. Our purpose is to protect our students from exposure to moral illness.

We recognize also that Union Grove Christian School with its limited finances is not equipped to physically care for the needs of very ill students with a serious continuing or chronic communicable disease.

Therefore, because we are moved with deep sympathy for the sick child and the well child, it will be the policy of Union Grove Christian School to deny admission or to require dismissal from the school for a child with a serious and continuing communicable disease. The concern is twofold: that other students not be infected and the ill student not become infected with other diseases transmitted by fellow students or others within the school family. Children enrolled at Union Grove Christian School or those who seek to enroll who are diagnosed to be carrying any serious disease and continuing communicable or potentially lethal disease shall be denied admission or be dismissed from the school. They will not be permitted to enroll or re-enroll in regular Union Grove Christian School classes until they have been medically diagnosed as no longer carrying the communicable disease.

This policy is to apply to diseases such as, but not limited to, syphilis, gonorrhea, and acquired immunodeficiency syndrome (AIDS), etc. Students who test positive for antibodies of HIV (Human Immunodeficiency Virus) or who are infected with ARD (Aids Related Complex) are included in the policy.

It is the responsibility of the parent or guardian of a student to inform the school of the student's infection by any serious and continuing communicable diseases upon enrollment or at the time of diagnosis. In adopting this policy, Union Grove Christian School recognizes that the state of medical knowledge about AIDS and other serious communicable disease is rapidly changing. The school will, therefore, update the policy statement in light of significant new information on such diseases.
